

## ABOUT THE ARTIST

Catherine has been working with clay and glass for more than 30 years. She has a BFA degree in ceramics from BGSU and her graduate studies was in hot glass at OSU. Her art work is sold at 30 art shows in Ohio, at the "Pizazz" shop @ "The Shops at Worthington", and at her home Studio by appointment or during her open studio.

Cathy has loved offering pottery, painting, and drawing classes in her pottery studio for all ages since 1994. She is dedicated to developing children's fundamental art skills, and adventures. She believes that creating ART should be an enjoyable experience for young children and more challenging as one matures. Therefore she provides a comfortable environment for free expression in her home studio. Pieces of art are created using high quality supplies and the encouragement and knowledge of a professional artist. Cathy's clay studio is located at: **371 N. Granview Rd.** This is where she offers her year round classes and camps. [www.tietzboring.com](http://www.tietzboring.com)
