Art shows and Summer art camps

There's been many changes & I hope everyone is well. I've been making Molten Glass art and Pottery since 1985. Please try to check out my artwork @ an art show this year. I'm also at the Granville farmer's market Saturday mornings until the end of August. You can also purchase my art @ my home studio by appointment.

Summer Art Camp 2021 will be different yet fun!

Kids 5 to 14 years old will make Pottery and Canvas paintings in person @ Cathy's studio.

Limited Spaces available /Masks required.
